

## DC/NYC Packing Suggestion List

The following is a list of items that we suggest students pack for the DC/NYC trip.

### NOTE:

1. **Label bags**- Be sure to label all bags (carry-on and checked) with the STA bag tag or some sort of personal identification.
2. **Weather** - Check weather forecasts for DC and NYC a couple days prior to departure. There are DC and NYC weather links on the Shutterfly page as well. Normally the weather is very hot and humid.
3. **Think comfort**- We will do a ton of walking/moving/sightseeing, so you want to be in comfortable clothing and shoes.
4. **Liquids** - Airlines require all liquids in carry-on bag to be in a sandwich-sized baggie. All liquid containers need to be 3oz. or less. (Shampoo, conditioner, toothpaste, lip gloss, lotion, make-up, etc.)
5. **Dress appropriately** - While we are not in school at this time, we still want to present our group well in public and we will be visiting numerous museums and memorials. Please do **not** pack clothing that is revealing, too short, shows midriff, or clothing/hats with inappropriate images/wording.
