

Dear **(Recipient name)**,

I am excited to share that I am planning to participate in an educational program to **(Destination)** from **(Dates of Trip)** with my friends and classmates from **(School Name)**. My teacher will sponsor the trip, and we will be traveling with the educational tour specialists from School Tours of America. You can visit their website at www.schooltoursofamerica.com to learn more about our journey.

I will have the opportunity to visit some of our most important historical and cultural landmarks. Most importantly, this trip will deepen my gratefulness for our American heritage by exposing me to the diverse cultural roots of our country.

To participate in this educational adventure, I need to raise **\$(Trip Cost)**. I would greatly appreciate your consideration in sponsoring a portion of my trip. Any contribution you can make will help bring me closer to this life-changing experience. There are several ways you can assist:

- Send your contribution to my parents
- Go to my personal MyTour Fund page to donate. Here is the link: **(MyTour Fund link)**
- You can make a payment on the School Tours of America website, www.schooltoursofamerica.com. Click on the "Payment" option. You will need my participant number **(Participant number)** and departure date **(Departure date)**.

If you have any questions or want to learn more about where I will be traveling, please email or call me. I would be happy to share more details. Thank you so much for considering this opportunity!

Sincerely,
